

# Glen Hills Park Trails and Amenities

## THE PARK

Glen Hills Park, opened in 1974, is a water-based recreation facility located in the hill country of West Central Wisconsin. This Park is comprised of 700 wooded acres surrounding beautiful Glen Lake. We extend a warm welcome to all outdoor enthusiasts.

## GLEN LAKE

The 84-acre, 38 ft. deep lake and the surrounding recreation facilities are the result of a PL-566 Federal Floodwater Prevention Watershed Project for conservation and flood control purposes. To enhance our patron's enjoyment of the lake, canoe, row boat and paddle-boat rentals are available at reasonable hourly rates.

## PICNIC SHELTERS

There are two picnic shelters available at the park: the Group Area and the Main Picnic Area. Both may be reserved for group activities and picnics. Please call the park office for availability and rates.

## WINTER ACTIVITIES

The day-use area remains open to winter enthusiasts. Winter activities include ice fishing and skating on Glen Lake, snowmobiling, sledding and cross-country skiing.

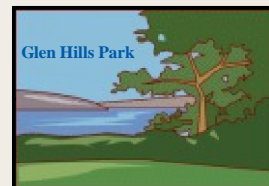

*The park is managed by the St. Croix County Land and Water Conservation Committee and maintained by the St. Croix County Parks Department.*

- |                              |                         |
