

ST. CROIX COUNTY _____ **Bicycle and Pedestrian** PLAN

OPEN HOUSES

Monday, Aug 29
St. Joseph Town Hall
1337 CTH V, Hudson

Tuesday, Aug 30
St. Croix County Baldwin Ag Center
1960 8th Ave, Baldwin

Listening & Discussion 6 - 8 p.m.

St. Croix County will hold two open houses to present materials and gather input for the County's Comprehensive Bicycle and Pedestrian Plan Project. At the open houses, county staff along with members of the consultant team (which consists of Toole Design Group and West Central Wisconsin Regional Planning Commission) will be present to answer questions, review maps and gather feedback regarding bike and pedestrian needs. Maps and bicycle and pedestrian information will be available for review and discussion during the open house or prior to the open house on the county's webpage, www.sccwi.us/bikepedplan.

Expanding opportunities for biking and walking for transportation and recreation county-wide

Citizen input is essential to the plan from public opinion surveys to workshops and open houses. Coordination between citizens, advocacy groups, local governments, and the County will be critical to creating a successful plan and then implementing it.

If you have questions, comments, or suggestions or cannot attend the open house, comments may be submitted through the project website or contact us directly by mail, phone, or e-mail:
