

## Tobacco

Our focus is on prevention of youth starting to use tobacco, protection from the hazards of second hand smoke, and promotion of cessation services.

We are part of the Western Wisconsin Working for Tobacco Free Living (W3TFL) Coalition encouraging tobacco free living.

## Community Collaboration and Coalitions

- ◇ Healthier Together  
Pierce-St. Croix County Coalition focuses on the health priorities identified in the community health assessment. Pierce and St. Croix County Public Health Departments work together with community health partners and community members to improve the health of where we live, work, and play.  
Task Force Groups are currently working on Healthy Foods, Physical Activity, and Oral Health.  
To learn more and find out how you can get involved with Healthier Together go to: [www.healthiertogetherstcroix.org](http://www.healthiertogetherstcroix.org)
