**Press Release**  
**STH 63 Crash**  
**05-05-2011**

On 05-05-2011 at 4:30am deputies were dispatched to the 900 block of STH 63 (Baldwin Township) for the report of a two vehicle "head-on" crash.

Preliminary information indicates that a 2007 Kenworth milk truck, driven by Mitchell Anderson, age 36 of Glenwood City, WI. was southbound on STH 63 when it collided with a 2011 Toyota van, driven by True Vangh, age 46 of Rosemount, Minnesota. The Vangh vehicle had been traveling northbound on STH 63.

The impact appears to have occurred in the southbound lane of travel.

Mitchell Anderson was treated for minor injuries at the scene by Baldwin Ambulance personnel and released. He was wearing a safety belt at the time of the crash.

True Vangh was ejected from the van and was transported to Regions Medical Center in critical condition. There was no indication of the use of a safety belt.

The front seat passenger in the van, Nkajlo Vangh, age 54 of Rosemount, Mn. was also transported to Regions Medical Center in serious condition. Nkajlo had been wearing a safety belt at the time of the crash. A third passenger in the van, Julianna Vangh, age 4 was transported to Gillett Children's Hospital. The extent of her injuries are still unknown. There was no indication that Julianna was wearing any safety equipment at the time of the crash.

Deputies were assisted at the scene by Officers from the Wisconsin State Patrol, Baldwin Police Department, Hammond Police Department, United Fire Department, and the Baldwin Ambulance.

STH 63 was closed for about 5 hours while the scene was processed.

The crash remains under investigation by the St. Croix County Sheriff's Office.
