Future Huber Inmate:

Prior to you checking in to serve your Huber sentence, you must have orientation with a Huber Officer. Orientations are offered **Upon Appointment.** It is your responsibility to set this up **BEFORE** checking into serve your sentence. The orientation will last between 60 and 90 minutes depending on number of individuals signed up for that time.

It is expected that you bring in the completed **HUBER WORK/CHILD CARE/ EMP APPLICATION** at the time of orientation. We would also like you to bring along vehicle/insurance information so that all that can be placed into your file and ready for your check in date. You only need to fill out the sheets that pertain to you.

If you are unable to attend an orientation prior to checking in to jail, you will have to sit in jail until an orientation is scheduled. **YOU WILL NOT BE ALLOWED OUT TO WORK UNTIL YOU HAVE HAD ORIENTAION AND YOUR JUDGEMENT OF CONVICTION IS IN YOUR FILE.** We also suggest attending the orientation 1-2 weeks before your check in day.

If you are planning on transferring to St. Croix County to serve your sentence from another county there will be a Huber Transfer Processing Fee of \$100.00. St. Croix County Inmates will have a \$25.00 processing fee due at the time of booking. All Huber Inmates must have \$400.00 for the first 2 weeks of Huber Fees and 12 days of GPS fees.

Please set up an orientation date with a Huber Officer. You can set up a day by calling:

(715)386-4755

Thanks,

Huber Officer
