Press Release

07/27/2016

On Wednesday July 27, 2016 at 9:30am, the St. Croix County Sheriff's Office responded to a reported abduction in the Town of Star Prairie, north of the City of New Richmond. During the interview of the female, information was gathered that lead the sheriff's office to a residence in the Town of Stanton, on CTH K, just east of the City of New Richmond and found a female victim inside the residence who suffered from lacerations and bruising.

During the course of the investigation, information was gathered that leads our office to believe that the individuals being treated were the only ones involved in this incident. Both individuals are juveniles therefore, their names will not be released. Both of the individuals know each other and have been treated for injuries.

There was NO attempted abduction as was originally reported and there is no danger to the public.

This incident remains under investigation by the St. Croix County Sheriff's Office. Any appropriate charges will be reviewed by St. Croix County juvenile authorities.
