OFFICE OF THE ST. CROIX COUNTY CLERK  
TO THE VOTERS OF ST. CROIX COUNTY

Notice is hereby given of a general election to be held in the several wards in St. Croix County, on November 4th, 2014, at which the officers named below shall be chosen. The names of the candidates for each office to be voted for, whose nominations have been certified to or filed in this office, are given under the title of the office and under the appropriate party or other designation, each in its proper column, together with the questions submitted to a vote, in the sample ballots below.

INFORMATION TO VOTERS

Upon entering the polling place, a voter shall state his or her name and address, and sign the poll book before being permitted to vote. If a voter is not registered to vote, a voter may register to vote at the polling place serving his or her residence if the voter provides proof of residence. Where ballots are distributed to voters, the initials of two inspectors must appear on the ballot. Upon being permitted to vote, the voter shall retire alone to a voting booth or machine and cast his or her ballot except that a voter who is a parent or guardian may be accompanied by the voter's minor child or minor ward. An election official may inform the voter of the proper manner for casting a vote, but the official may not in any manner advise or indicate a particular voting choice.

Where an **optical scan voting system and hand-count paper ballots** are used, the voter shall fill in the oval or connect the arrow next to the name of the candidate of his or her choice for each office for which he or she intends to vote. To vote for a person whose name does not appear on the ballot, the voter shall write in the name of the person of his or her choice in the space provided for a write-in vote, and fill in the oval or connect the arrow on the write-in line. On referendum questions, the voter shall fill in the oval or connect the arrow next to "yes" if in favor of the question, or the voter shall fill in the oval or connect the arrow next to "no" if opposed to the question.

Where **touch screen** voting systems are used, the voter shall touch the screen next to the name of the candidate of his or her choice for each office for which he or she intends to vote. To vote for a person whose name does not appear on the ballot, the voter shall type in the name of the person of his or her choice in the space provided for a write-in vote. On referendum questions, the voter touch the screen next to "yes" if in favor of the question or the voter shall touch the screen next to "no" if opposed to the question.

**Note:** A voter must vote for Governor and Lieutenant Governor jointly on one ticket. A vote for Governor is also a vote for Lieutenant Governor. To vote for persons whose names do not appear on the ballot, write the names of individuals for both offices on the lines provided.

The vote should not be cast in any other manner. Not more than five minutes' time shall be allowed inside a voting booth. Sample ballots or other materials to assist the voter in marking his or her ballot may be taken into the booth and copied. The sample ballot shall not be shown to anyone so as to reveal how the ballot is marked.

If a voter spoils a **paper or optical scan ballot**, he or she shall return it to an election official who shall issue another ballot in its place, but not more than three ballots shall be issued to any one voter. If the ballot has not been initialed by two inspectors or is defective in any other way, the voter shall return it to the election official who shall issue a proper ballot in its place. The elector may spoil a touch screen ballot at the voting station before the ballot is cast.

After casting his or her vote, the voter shall leave the voting booth, properly deposit the ballot, and promptly leave the polling place.

After an official **hand-count paper ballot** is marked, it shall be folded so that the inside marks do not show, but so the printed endorsements and inspectors' initials on the outside do show. The voter shall then deposit his or her folded ballot in the proper ballot box or deliver the ballot to an inspector for deposit, and leave the polling place promptly.

After an official **optical scan** ballot is marked, it shall be inserted in the security sleeve so the marks do not show. The voter shall then insert the ballot in the voting device and discard the sleeve, or deliver the ballot to an inspector for deposit. If a central count system is used, the voter shall insert the ballot in the ballot box and discard the sleeve, or deliver the ballot to an inspector for deposit. The voter shall leave the polling place promptly.

After an official **touch screen** ballot is cast, the voter shall leave the polling place promptly.

A voter may select an individual to assist in casting his or her vote if the voter declares to the presiding official that he or she is unable to read, has difficulty reading, writing, or understanding English, or that due to disability is unable to cast his or her ballot. The selected individual rendering assistance may not be the voter's employer or an agent of that employer or an officer or agent of a labor organization which represents the voter.

*Cindy Campbell, St. Croix County Clerk*

### 2013 ENROLLED JOINT RESOLUTION 1

To renumber section 9 of article IV; and to create section 9 (2) of article IV and section 11 of article VIII of the constitution; relating to: creation of a department of transportation, creation of a transportation fund, and deposit of funds into the transportation fund (second consideration).

Whereas, the 2011 legislature in regular session considered a proposed amendment to the constitution in 2011 Senate Joint Resolution 23, which became 2011 Enrolled Joint Resolution 4, and agreed to it by a majority of the members elected to each of the two houses, which proposed amendment reads as follows:

**SECTION 1.** Section 9 of article IV of the constitution is renumbered section 9 (1) of article IV.

**SECTION 2.** Section 9 (2) of article IV of the constitution is created to read:

[Article IV] Section 9 (2) The legislature shall provide by law for the establishment of a department of transportation and a transportation fund.

**SECTION 3.** Section 11 of article VIII of the constitution is created to read:

[Article VIII] Section 11. All funds collected by the state from any taxes or fees levied or imposed for the licensing of motor vehicle operators, for the titling, licensing, or registration of motor vehicles, for motor vehicle fuel, or for the use of roadways, highways, or bridges, and from taxes and fees levied or imposed for aircraft, airline property, or aviation fuel or for railroads or railroad property shall be deposited only into the transportation fund or with a trustee for the benefit of the department of transportation or the holders of transportation-related revenue bonds, except for collections from taxes or fees in existence on December 31, 2010, that were not being deposited in the transportation fund on that date. None of the funds collected or received by the state from any source and deposited into the transportation fund shall be lapsed, further transferred, or appropriated to any program that is not directly administered by the department of transportation in furtherance of the department's responsibility for the planning, promotion, and protection of all transportation systems in the state except for programs for which there was an appropriation from the transportation fund on December 31, 2010. In this section, the term "motor vehicle" does not include any all-terrain vehicles, snowmobiles, or watercraft.

**SECTION 4.** Numbering of new provision. If another constitutional amendment ratified by the people creates the number of any provision created in this joint resolution, the chief of the legislative reference bureau shall determine the sequencing and the numbering of the provisions whose numbers conflict.

Now, therefore, be it resolved by the assembly, the senate concurring, That the foregoing proposed amendment to the constitution is agreed to by the 2013 legislature; and, be it further

Resolved, That the foregoing proposed amendment to the constitution be submitted to a vote of the people at the election to be held on the Tuesday after the first Monday in November 2014; and, be it further

Resolved, That the question concerning ratification of the foregoing proposed amendment to the constitution be stated on the ballot as follows:

**QUESTION 1: "Creation of a Transportation Fund.** Shall section 9 (2) of article IV and section 11 of article VIII of the constitution be created to require that revenues generated by use of the state transportation system be deposited into a transportation fund administered by a department of transportation for the exclusive purpose of funding Wisconsin's transportation systems and to prohibit any transfers or lapses from this fund?"

#### EXPLANATION

In general, funds collected in fees and taxes may be appropriated for any public purpose determined by the Legislature. Wisconsin's transportation fund, which currently exists under statute, is designed to be the source of funding for all modes of transportation in the state. Wisconsin law requires that specific revenue streams such as taxes or fees related to motor vehicles, aircraft, and railroads be deposited into the transportation fund.

At times, the Legislature has transferred moneys initially deposited into the transportation fund to programs with non-transportation-related purposes. Such transfers have typically been to general revenue funds, which are used for state programs such as education, health care, and shared revenue. The Wisconsin Supreme Court has suggested that these transfers are permissible under current law.

In essence, the proposed amendment would change the Wisconsin Constitution to require that revenues generated by specified uses of the state transportation system be deposited into a transportation fund and expended only for transportation-related purposes.

A "yes" vote on this question would establish a department of transportation and a transportation fund in the state constitution. The current Department of Transportation and transportation fund exist only under statute. A "yes" vote would mean that all funds collected from taxes or fees in existence after December 31, 2010 for the licensing of motor vehicle operators, for the titling, licensing, or registration of motor vehicles, for motor vehicle fuel, or for the use of roadways, highways, or bridges, and from taxes and fees levied or imposed for aircraft, airline property, or aviation fuel

or for railroads or railroad property would be deposited in the transportation fund or with certain authorized parties, such as a trustee for the benefit of the department of transportation. Funds in the transportation fund may not be lapsed, further transferred, or used for any program that is not directly administered by the department of transportation in furtherance of the department's responsibility for the planning, promotion, and protection of all transportation systems in the state (except for programs with an appropriation from the statutory transportation fund as of December 31, 2010). The proposed amendment does not define "transportation systems."

A "no" vote would mean that the Department of Transportation continues to be a statutory agency. It also would mean that monies collected from motor vehicle, aircraft, and railroad fees and taxes could be appropriated by the Legislature for transportation systems or for other programs as determined by the Legislature.

### ALL ST. CROIX COUNTY ELECTORS

---

"Shall the next State Legislature accept available federal funds for BadgerCare to ensure that thousands of Wisconsin citizens have access to quality and affordable health coverage?"

#### EXPLANATION

A "YES" vote means that you are in favor of the next State Legislature enacting laws which would require the State of Wisconsin to accept all available federal funding for the Medicaid and BadgerCare health insurance programs for low income Wisconsin residents earning up to 138% of the federal poverty level, or, for example, up to \$16,105 for a one person household.

A "NO" vote means that you are not in favor of the next State Legislature enacting laws which would require the State of Wisconsin to accept all available federal funding for the Medicaid and BadgerCare health insurance programs for low income Wisconsin residents earning up to 138% of the federal poverty level, or, for example, up to \$16,105 for a one person household.

---

### TOWN OF HUDSON ELECTORS

---

"Under state law, the increase in the levy of the Town of Hudson for the tax to be imposed for the next fiscal year, 2015, is limited to 1.303% (plus adjustments), which results in a levy of \$847,388. Shall the Town of Hudson be allowed to exceed this limit and increase the levy for the next fiscal year, 2015, and on an ongoing basis, by a total of 47% (\$398,272), which results in a levy of \$1,245,660?"

#### EXPLANATORY STATEMENT AND EFFECT OF VOTE:

The Town of Hudson has over 98 miles of town roads which must be maintained, and due to State imposed levy limits the Town has insufficient funds to properly maintain its town roads for the long term use by the public. Insufficient maintenance will eventually lead to increased costs resulting in reconstruction projects. Properly maintaining, rather than eventual reconstruction will result in an overall savings to the taxpayers of the Town.

A "yes" vote will allow the Town Board of the Town of Hudson to increase its levy for 2015 by \$398,272 on the 2014 tax bills, and by a similar percentage (47%) in subsequent years, which will allow the Town to continue its current level of maintenance, and allow the Town to repave, reconstruct, and/or maintain approximately 3 additional miles of town road each year.

A "no" vote would prohibit a levy increase beyond the percentage change in the Town of Hudson's January 1, 2014 equalized value due to new construction. This would have the effect of limiting road maintenance, repaving, and reconstruction to its current level, which is inadequate for the roads' continued long term use.

---

### TOWN OF ST. JOSEPH ELECTORS

---

"Under state law, the increase in the levy of the Town of St. Joseph for the tax to be imposed for the next fiscal year, 2015, is limited to 0.24%, which results in a levy of \$955,111.00. Shall the Town of St. Joseph be allowed to exceed this limit and increase the levy for the next fiscal year, 2015, by a total of 29.84%, which results in a levy of \$1,240,111.00?"

#### EXPLANATION

A "yes" vote will allow the Town Board of the Town of St. Joseph to increase its town levy by \$285,000 for 2014 tax bills which are payable in fiscal year 2015, and in subsequent years. This is an increase of 29.4% in the town levy for 2014 tax bills payable in 2015, and will be a similar percent-

age increase in the town levy in subsequent years. The primary need for the levy increase is to pay for necessary town road maintenance, paving, and reconstruction.

A "no" vote would prohibit a levy increase beyond the percentage allowed under the state levy limit law, which currently limits the increase to the percentage change in the Town's January 1, 2014 equalized value due to new construction. For 2014 tax bills payable in 2015, a "no" vote would limit the Town of St. Joseph's percentage increase in the town levy to 0.24%.

District of Hudson through the issuance of General Obligation Bonds for the purpose of paying the costs of constructing and equipping an auditorium at the new high school.
