CRITERIA

Pursuant to Wisconsin statutes and the St. Croix County Land Division Ordinance, Section 13.10, the St. Croix County Community Development Committee has the authority to issue a waiver only when the following criteria are met:

- A waiver shall not violate the general intent and purposes of this ordinance or be detrimental to the health, safety, general welfare or aesthetics of the neighborhood.
- The condition for which a waiver from a design standard is sought must be unique to the property.
- A waiver may not be based on mere inconvenience or financial hardship to the subdivider or a self-created hardship of the subdivider.
- A waiver is necessary for the preservation and enjoyment of substantial property rights possessed by the subdivider.
- A waiver shall provide only the minimum relief necessary to alleviate the hardship.

It is the applicant's responsibility to prove that these criteria are met. Please answer the following questions and provide any additional information that you feel addresses these criteria in support of your request (*attach additional paper if necessary*):

1) Describe the details of your request.

2) Explain how literal enforcement of the Ordinance would unreasonably prevent you from using your property for your proposed use and why the standards in the Ordinance should not apply to your property.

GENERAL WAIVER APPLICATION PROCEDURE

APPLICATION:

The deadline for application submittals is the **1st Monday** of the month. A public hearing will be scheduled with the St. Croix County Community Development Committee. Applications will not be accepted until the applicant has:

- Met with the Zoning Administrator to review the application;
- **Original, plus 5 copies** of the completed application, submitted to the Zoning Administrator;
- Resolved any land use violations and paid any outstanding fees owed to the Community Development Dept;
- Signed the application form (*signatures of property owners and agents acting on their behalf are required*); and
- Submitted the application fee (*nonrefundable*) payable to the St. Croix County.

REVIEW:

The Zoning Administrator will review the application for completeness and assign a file number to the application. The Zoning Administrator may require additional information and will notify the applicant of this within 10 days. Upon receiving a completed application and supporting documents, the Zoning Administrator will:

- Schedule a public hearing with the St. Croix County Community Development Committee and notify the applicant by mail of the date and time of the public hearing;
- Notify adjoining property owners of the applicant's request;
- Publish a public hearing notice in the local paper;
- Send copies of the applications to the appropriate town and reviewing agencies for comment. ***Applicants are encouraged to contact their town and attend their town meeting to discuss their application;***
- Schedule a site visit to the applicant's property, at which time the applicant shall flag all applicable property/project corners and label the flags accordingly; and
- Prepare a staff report on the application. The staff report will be emailed or mailed to the applicant and will be available for public review during the week prior to the public hearing.

ACTION:

The St. Croix County Community Development Committee can grant a waiver if it finds that the waiver criteria have been met. At the public hearing, the applicant may appear in person or through an agent or an attorney of his/her choice, and may present testimony, evidence and arguments in support of his/her application. The fact that an application for a waiver has been filed does not automatically mean that a waiver is granted.

Upon the Committee making a decision on the waiver request, the Zoning Administrator shall notify the applicant of the decision in writing. All site plans, pictures, and other supporting documents become the property of the St. Croix County Community Development Department and will remain in the file.
